

September Preschool News

from the Director's Desk

Welcome to all of our students and families, old and new! We are all so very happy and excited to welcome back our old friends and say hello to so many new ones. Each month you will receive a newsletter from the Director. This will be to let you know what we've been doing, what events are coming up and any other important information.

My name is Patti Lucas and this is my 4th year as Director of St. James Preschool. Before becoming director, I was the Assistant Director for 5 years and one of the 4 year old teachers before that. I started working here in 2002 and feel so blessed to have such a wonderful job and staff that I look forward to each and every day! I have been married to my husband Mike for 32 years and we have two daughters, one is a Lieutenant in the Air Force and the other just graduated from college. Our family has been members of St. James for 24 years!

I will have the privilege of getting to know your children in my P.E classes and Music classes each week. My objectives for P.E. is to introduce them to sports, activities and fitness. I'm hoping they will realize how fun it is to be active and make our bodies strong. In Music class I will introduce them to instruments, singing and dancing. Everyone should sing all the time! It makes us feel good and singing is the same as praying!

I am looking forward to a great year filled with lots of learning, giggles, and love! Once again, welcome!

Patti

Reminders

Tuesdays will be P.E. for all classes. Please make sure your child has on P.E. shoes.
